FOREWORD

Since 1999, The Project on Addressing Prison Rape (Project) at American University, Washington College of Law has provided training to key correctional decision makers, agencies, associations, and individuals looking to improve their practices on addressing sexual abuse of individuals in custodial settings. In 2009, the Project began to do intensive work within a number of state departments of juvenile justice and to work on of Lesbian Gay Bisexual Transgender Intersex and Questioning (LGBTIQ) youth in custody.

The END SILENCE series is the product of that work and work by many organizations and individuals concerned about preventing and addressing sexual abuse of youth in custody. We would like to thank them for their insightful and honest commentary about the situations that youth face and how sexual abuse affects them.

The series includes four other graphic novels targeted to: (1) boys ages 10-14; (2) boys ages 14-18; (3) girls ages 10-14; and (4) LGBT youth.

END SILENCE is a first step in reaching out to youth in juvenile justice settings in order to help them identify, address, and respond to incidents of sexual abuse by staff or other youth. We hope the publication will deepen the dialogue about strategies to eliminate sexual abuse of youth in custody.

INTRODUCTION

Charlie's Report is a graphic novel for male youth, aged 10-14, that focuses on an incident of inappropriate touching between a male youth and a female staff member in a group home.

At the end of the graphic novel you will find: blank slides for youth to fill in an appropriate continuation for the story; a glossary of terms; discussion questions; resources for youth; and note pages. While we understand different states house youth in different settings or classifications, this publication is meant to address sexual abuse of youth in custody nationwide. To that end, we have generalized some content and details of this novel.

This graphic novel is intended to be "stand alone" material to orient and educate youth about the issue of sexual abuse in custodial settings: we hope it provokes discussions with and between youth.

Please contact us with comments about these novels, the usefulness of graphic novels as a tool for training youth, and suggestions for other needed resources.

DISCUSSION QUESTIONS

(Feel free to ask other additional questions)

- Do you think Charlie made a good choice telling Mr. Johnson what was going on during his kitchen duties?
- Would you have told anyone?
Who?
- Who else could Charlie have told about what happened?
- Did you think the adults would believe Charlie or Ms. Gregory?
Why?
- Why do you think Ms. Gregory got in trouble for letting boys live with here after they left the group home?
